PROGRAMME

Day 1: Arrival day in Olbia

Transfer or independent arrival to Olbia. Welcome meeting with local representative: explanation of the route and bike delivery. Dinner and overnight.

Day 2: Olbia-Pattada (Km 78, climb 1700mt)

Right from the first day we get to know the real heart of Sardinia as we cross the Monti di Alà, a wild and remote highland with an extensive cork tree forest. After the Lerno Lake we'll reach our charming hotel in the countryside village of Pattada.

Day 3: Pattada-Cala Gonone (Km 93, climb 1500mt)

Soon after Bitti we tackle some hills and the Supramonte, the island's biggest limestone massif swings into view. We spend the night in Cala Gonone, a seaside village with a dramatic coastline where the mountain plunges into the sea.

Day 4: Cala Gonone-Fonni (Km 68, climb 1700mt)

This is the day for the king of the mountains. Surrounded by olive groves and vineyards, we cross the town of Oliena, one of the most characteristic settlements of this area with its wrought iron balconies and massive wooden portals. From here, we climb along the slopes of the Supramonte as far as Orgosolo where we make a short stop to admire the famous wall paintings - witnesses of past years of social unrest - the work of numerous artists. We cross the upland plain of Mamoiada and reach Fonni, 1000 m asl, where we find our hotel, a restored ancient splendid palazzo.

Day 5: Fonni-Villanovaforru (Km 113, climb 1500mt)

Another hilly day in the very heart of the island. We plunge into the chestnut woods round Ovodda and ride through the charming valley of Sorgono, rich in vegetation. After the village of Laconi the terrain eases out as we descend towards the Campidano flatland. We ride on the rolling hills of Marmilla, along hidden country lanes. We stop for the night in the country village of Villanovaforru.

Day 6: Villanovaforru-Arbus (Km 106, climb 1500mt)

Back to the ocean! Today we will cycle through the natural beauty spots of the Costa Verde, some of the most savage scenery on the island. Our stop tonight is an agriturismo renown for its mouth-watering traditional dishes.

Day 7: Arbus-Calasetta (Km 103, climb 1000mt)

This day takes you back into the ancient mining past of Sardinia, as we pass the fascinating abandoned mines of Buggerru and Planusartu. After the golden beach of Portixeddu and looming mass of Pan di Zuccheru cliff, you admire the old ore washery at Nebida: nestling in the varied colours of the Mediterranean bush, it looks out over the sea at the end of a long descent down 540 steps. We then board on the ferry to Carloforte, where locals still fish the Red Tuna fish. From Carloforte, we continue to the island of Sant'Antioco and end your day near Calasetta, where we stay in a very elegant countryside hotel.

Day 8: Calasetta-Pula (Km 95, climb 700mt)

Final catwalk of your tour is the beautiful Costa del Sud with its gleaming white beaches, unspoilt natural landscape and imposing cliffs: Cape Malfatano with its 16th Century tower, Cape Spartivento and Chia. At Nora we visit the ancient Phoenician settlement.

Day 9 Departure day

After breakfast, end of services.

Food

Historically, the twin pivots of traditional cuisine are land- and sea-based local produce. Mutton, beef, game, boar and horsemeat are the staples of the cooking in the interior, while the coasts rely on tuna, sea-bass, mullet and other type of fish. Add to these the basic ingredients of Italian cooking – pasta, tomato sauce, olives and fresh vegetables – and a wide choice of seasonal fruit and common pecorino, the strong tasting sheep's cheese.

A typical Sardinian meal may start with some fish starters (antipasti) like the tasty bottarga, dried mullet roe, continue with the primo piatto (the first course, generally a pasta-based dish) that can include one of the following: culurgiones, ravioli stuffed with potato, cheese, garlic and mint, malloreddus also known as gnocchetti, a pasta shaped in little shells, with various toppings, for example alla campidanese, a sausage sauce, fregola a couscous type pasta either in a meat stock or dry with mussels and clams or spaghetti alle arselle, spaghetti with clams. The secondo (the main course, normally a meat or fish dish) may be chosen from the a selection of porceddu, the symbol of Sardinian cuisine, a baby pig roasted whole on a spit with myrtle leaves, gran premio, horsemeat steak or orata alla vernaccia, gilthead cooked in a white wine and olives sauce.

Desserts may be sebadas (also known as seadas), a fried ricotta-filled pastry bubble with a honey topping or a selection of dolcetti: papassini, gueffus and tiliccas almond- and honey-based biscuits.

Don't forget to end the meal with a glass of chilled red mirto, the most popular of Sardinian liqueurs, made from leaves and berries of wild myrtle.

Shops and restaurants opening hours.

Shops opening hours: from Monday to Saturday from 08:30/09:00 to 12:30/13:00 and from 16:00 to 20:00. In some villages shops may be closed on Wednesday evening. Restaurants normally serve food from 12:00 to 13:30 and to 20:00 to 22:00.

ABOUT YOUR RENTED BIKES

Bike profile.

Dolcevit bikes are Cube Attain GTC road bikes. Main features of our bikes are:

- Full carbon frame
- Shimano Ultegra group set
- 11 speed cassette
- Wireless odometer

All our self guided guests will receive the following accessories:

- Transparent map holder case, one every two bikes.
- Odometer
- Complimentary water bottle (0.5 lt)
- Repair kit (one every two bikes) inclusive of spare inner tube, inner tube repair kit, tyre levers, pump, basic multi tool
- Combination lock.

In Italy it is not compulsory to wear a helmet when riding a bike (children below 14 have to wear it), however we strongly recommend to take one with you.

Please note that the helmet is not included in the bike rental. If you don't want to carry one with you, we can rent you one. This service has to be booked in advance and the rate the rental is 25eur per tour to be paid locally.

It will not be possible to rent a helmet with us without previous notice.

In case of a mechanical problem.

During the tour, should the bicycles have any type of technical problem that prevents you from continuing, please contact us at the emergency numbers. Describe the occurred issue and we'll try to solve as soon as possible the problem and, if necessary, we'll suggest you a mechanic where it will be possible to repair the failure. We ask you to go to a mechanic only after being authorized by Dolcevit. Should some service be necessary, pay for the service, keep the receipt and you will be refunded at the end of your tour. In case of a puncture no intervention or assistance will be provided. Customers will be given a proper puncture repair kit, which will enable them to intervene directly and solve the problem.

Last day: bike and other material return.

Please lock your bikes and leave them in the hotel courtyard or garage, following the instructions of the hotel staff. Please leave the panniers, the handlebar bag and the odometer on your bike. We kindly ask you to leave all the material given to you by our representative at your arrival inside the panniers.

If you bring your own bike

If you want to take the tour with your own bike, before you depart we suggest you to verify that all parts of the bike are functioning properly. A cycle computer is necessary to follow the road book. We also highly

recommend you to bring a repair kit because the emergency number in case of breakdown cannot be used if you are using your own bike. Don't forget to bring a padlock and always lock your bike.
